Michelle Maurice	Twickenham, United Kingdom	2015-07-18	<p>I think this would be a fabulous addition to the community. Creating a high end bar community interlinked with beautiful restaurants mirroring Richmond Riverside... And a lido in the middle promoting health and well being, whilst setting a beautiful backdrop.</p> <p>To combat the rugby fan issue- simply lock it after hours (or early closing times on rugby days)- maybe design it with archways and gates giving it a Mediterranean feel.</p> <p>Rugby Sevens and Army Navy shouldn't dictate the development of our neighbourhood. The residents and taxpayers should.</p>

Raquel Pena	london, United Kingdom	2015-07-22	I think it's important to have alternative spaces for people whose priority in life isnt just shopping or using commercial based places. We need more spaces that allow being in touch with nature and to relax using the resources available.
Justin Edmund-White	Twickenham, United Kingdom	2015-07-22	Twickenham needs this Lido as part of the regeneration of the riverside as well as the town centre in general.

Keith Aldred	Kingston, United Kingdom	2015-07-22	What a wonderful idea! I swim regularly and the more pools the better! This would give the community in Twickenham a huge lift. Go for it!
Jo Wilson	Twickenham, United Kingdom	2015-07-22	A Lido would bring some life back in to Twickenham and rejuvenate a tired town, making Twickenham a go-to destination once again. A Lido would be used by all sections of the community, and would be hugely popular (as the Bristol Lido is). There is already the surrounding infrastructure in place to support a Lido - access, parking, public transport etc. Please please please support what would be a very welcome addition to our local area!
Dr John	Great Bookham, United Kingdom	2015-07-22	There used to be a wonderful swimming facility at the Riverside and I'd like to see it reappear!

GERHARD SCHELLBERG	Twickenham, United Kingdom	2015-07-23	Finally a proposal that will help the regeneration of the town centre by creating a destination for young and old.
Daisy Howells	Twickenham, United Kingdom	2015-07-23	As a resident of Twickenham I feel our high street is disintegrating, it's looks disgusting, it feels empty and I feel as though our neighbouring highstreets; Teddington, Whitton and Richmond are flourishing.
Christopher Squire	Twickenham, United Kingdom	2015-07-23	If you are aiming for a debate by Richmond council, you should start a petition from the council's web a page. The signatures here won't count for anything.
Jane hitchinson	Hampton, United Kingdom	2015-07-23	Lived in the borough all my life. My school used to use it for swimming galas. It was a spectacular pool and my husband loved it.
Jean Sexton	Kent, United Kingdom	2015-07-23	I have great memories of Twickenham lido and believe that children today should have the opportunity to make the same great memories.

Dr Olwen Griffith	Twickenham, United Kingdom	2015-07-24	This is a brilliant idea
Judith Strong	Twickenham, United Kingdom	2015-07-24	Twickenham has a growing population but lacks the leisure facilities which provide a focus and contribute to the cohesion and well being of the community. Town centres need to change if they are to survive and thrive and shops and offices (of which there is already a surplus) are not the answer. Sadly there was opportunity to discuss the initial brief for the site.
Judy Craik	Twickenham, United Kingdom	2015-07-24	this would be a great much needed facility

Name	Location	Date	Comment
Mike Dormer	Twickenham, United Kingdom	2015-07-24	Outdoor swimming facilities have been drastically reduced over the last 50 years and it's time that trend was reversed. The riverside site in Twickenham is an ideal location for a Lido and would have a dramatic effect on the character of what is currently a very drab and dull town centre.
simon cromeey	Twickenham, United Kingdom	2015-07-24	It would be fantastic for Twickenham. Twickenham rely too much on the rugby ground. Would be nice to have something in Twickenham for the local people
Alison Sperring	Twickenham, United Kingdom	2015-07-24	This is an excellent idea and opportunity for twickenham residents to turn what is a pretty miserable looking site into something special.
Laura Owen	Twickenham, United Kingdom	2015-07-24	It would be a great addition to our town.
Martin White	Twickenham, United Kingdom	2015-07-24	A place for the whole family, especially teenagers who have no social place to go in the area ( apart from hanging out in the parks) especially since the ice rink was taken away. This would benefit the entire community young and old and bring life to Twickenham beautiful part of the river. How can a car park, as it is now, be good use of such a beautiful spot!!
Carol Holden	Twickenham, United Kingdom	2015-07-24	It would be a wonderful asset to Twickenham
Susan Wilkinson	Twickenham, United Kingdom	2015-07-24	It would be fantastic for the local area and the children ( mother of one)
Jan Collins	Twickenham, United Kingdom	2015-07-24	When I first came to Twickenham many years ago I used to swim in the swimming pool on a Monday evening. This enjoyed by a lot of people at that time. I found it very sad to see the site become derelict and unused for so many years.
Melanie Richardson	Twickenham, United Kingdom	2015-07-24	I learnt to swim at Twickenham pool! My children and MANY others would benefit from this wonderful idea. There are just too many reasons not to say a resounding 'YES' to this proposal!
Jill Papworth	Twickenham, United Kingdom	2015-07-24	Sounds like a great idea and should be financially viable
Geoff Holden	Twickenham, United Kingdom	2015-07-24	The original Twickenham pool was a focal point for the local community, especially children. Reinstatement would introduce a valuable cohesive amenity to the area.
Daniel Millar	Hampton, United Kingdom	2015-07-24	Their are no cold water swimming facilities at affordable prices any where near twickenham. Uxbridge and tooting are over 12 miles away. Heated open airs are dirty n over crowded on hot days
Alison Huntley	Twickenham, United Kingdom	2015-07-24	Me and my family would love to see the lido back and would use it regularly
Angela Barnwell	Twickenham, United Kingdom	2015-07-24	It's a brilliant idea - something that would really benefit Twickenham and the surrounding area.

Susan Burningham	London, United Kingdom	2015-07-24	<p>The empty space along Twickenham Riverside has for too long been a bone of contention. For as long as I have lived in the area residents have asked for the pool to be replaced and time and again their wishes have been thwarted by other grandiose plans. All plans from the Lib Dems and the Conservatives seem to centre on the theme of making Twickenham Riverside a pleasant place to be, a place that attracts visitors, encourages people to visit the many cafes and restaurants. What could be better to do that than with a lido? Actually I believe our local tax payers' money would be well spent - do we really have to go cap in hand to another funder? Just recently the Conservatives have said the lido is not affordable - why not? Geoffrey Samuel boasted 'efficiency savings' when he pulled money out of the hat to part fund a shed for the Gloriana (something the Twickenham Riverside residents did not want). So why not use the efficiency savings to wards the funding of something people do want? Is it really rocket science to learn to listen to residents. WE WANT THE LIDO. We don't want Councillor True's alternative of a square with yet more shops and cafes. If the Conservative and Lib Dem Councillors do not listen to the voters then why should anyone vote for them next time round?</p> <p>The Conservatives are fixed on their own precious plans; the Lib Dems are playing the long game - as they did with the Gloriana. It's time to sign up to the wishes of the residents.</p>
Val Rayment	Twickenham, United Kingdom	2015-07-24	We are fed up with just Rugby with allits restrictions on our lives. Let's have something for our young in twickenham
Niamh Black	London, United Kingdom	2015-07-24	I live in Twickenham and have always thought it a shame that the refurb of Jubilee Garden did not include reopening the lido. The space would be much more utilised if it was.
Rachel Logan	Twickenham, United Kingdom	2015-07-24	This is a fantastic idea.
Rachel Meare	Hampton, United Kingdom	2015-07-24	I spend a lot of time with family and friends in Twickenham and the Hampton Lido on a warm day just doesn't have the capacity needed for the demand in the area.
lucia bramble-boyd	london, United Kingdom	2015-07-24	We love swimming, and would be a great escape from the harships of life we experience. Twickenham doesnt offer much in the sense of shopping, but lots for families and this would enhance that greatly. There is the space too, what a wonderful way to use it, we have plenty parks and outdoor spaces, how lucky we are to, but would be just great.
Primrose Clarey	London, United Kingdom	2015-07-24	I have used the Bristol Lido in the sixties before it closed down, and again recently since it has reopened. I expect though the pool and spa will be most used by the 'middle classes', but give it a go.
Alexis Liming	Twickenham, United Kingdom	2015-07-25	Twickenham is an amazing community of people that are currently underserved by local amenities
Miranda Pearson	Twickenham, United Kingdom	2015-07-25	I want a lido
Karen Taylor	Twickenham, United Kingdom	2015-07-25	<p>The Lido is a brilliant idea. I used to go to the original one every summer. It was freezing cold -- but was still a highlight for a local lass. As was the Richmond Ice Rink. Why were these sporting venues ever closed? A Lido in Twickenham will provide a focal point for the town and neighbouring ones, generating money and providing people with much-needed activity. By all means, add another restaurant to the complex. Twickenham has many, but one by the river will be a real bonus.</p>

Sharon Bamber	Twickenham, United Kingdom	2015-07-25	What a great place to have one
Brian Mulford	Twickenham, United Kingdom	2015-07-25	I would love my grandchildren to enjoy the fun we had at the old lido. We lost the old lido, the ice rink and very nearly Heatham House. The council had the opportunity to build a brilliant leasure centre at Normansfield but 'blew' it!! Lets hope they see reason with the lido.
Gemma Rainbird	Twickenham, United Kingdom	2015-07-25	I am a local resident that would use this facility
Susan murray	Twickenham, United Kingdom	2015-07-25	I want to see a lidocaine in Twickenham!

B Fenton	Twickenham, United Kingdom	2015-07-25	We should never have lost the old swimming pol
Linda Taylor	Isleworth, United Kingdom	2015-07-25	I have many fond memories of swimming in the old Twickenham open-air swimming pool. A new lido in this area would revitalise the riverside and draw people into the town (especially with restaurant facilities by the river) and how wonderful if the Eel Pie Museum could be close by. It would help to put Twickenham on the map for something other than rugby.
Sarah Watts	Twickenham, United Kingdom	2015-07-25	We need to revitalise our beautiful riverside and make it a community space!
Chris O'Rourke	Groningen, United Kingdom	2015-07-25	all the pools in the area are crowded and another pool would be well worth. The council cannot honestly believe they can choose a scheme on our behalf without an open consultation with the community.

Helen Baker	East Twickenham, United Kingdom	2015-07-27	I had all the advantages of the Twickenham Baths when I was a kid, and I think everybody else's kids should have the same opportunities. Nothing at all is the same as a pool in the middle of our own community.

Deborah Sayer	Twickenham, United Kingdom	2015-07-28	There could not be a b better use of the riverside than a lido. I go to Richmond or Teddington pool almost every day. Oh I wish Twickenham had a pool!
Chloe Emmerson	London, United Kingdom	2015-07-28	It's a brilliant idea
Gail Rooke	Twickenham, United Kingdom	2015-07-28	Love the idea of an easily accessible pool - one that I can walk to in spite of my advanced age - smack in the middle of Twickenham - especially if local residents can have input into its design and the subsequent organization and running of the pool...final point perhaps there will need to be some sort of subscription scheme that favours local residents. residents can have input to its design and the subdolved in its design design and subsequent running :pve the idea oa Used to swim at the old Twickenham pool yonks ago
Lisa Ball lechgar	Abu Dhabi, United Arab Emirates	2015-07-28	I grew up in Twickenham and the pool was a favourite childhood haunt. After decades of abandonment, what the council eventually created is cheap and nasty. When I come home, I don't want to visit a riverside that is full of underage drinkers and tramps, I want to see a vibrant community treasure that holds up Twickenham as a place beyond rugby and pubs.
j barnett	kent, United Kingdom	2015-07-28	Too long left derelict, we want it re opened

Jeanette James	Twickenham, United Kingdom	2015-08-01	I think a proper swimming lido on Twickenham Riverside will bring much needed footfall to Twickenham and its shops and restaurants. I think there should be a proper consultation to ensure that the proposed copy of the Bristol model is right for Twickenham. It has to be an improvement on the soulless gardens currently there.
john FINNERTY	twickenham, United Kingdom	2015-08-01	I remember the old lido (just) and I would like to see it back. It would significantly improve central Twickenham and have great positive knock on effect throughout the town bringing quality businesses to the area.
Astrid Powell	Twickenham, United Kingdom	2015-08-05	Thirty years is a long time to leave a beautiful riverside site empty.
Richard Chatterjee	Croydon, United Kingdom	2015-08-05	I'm signing because I think it'd be good to have a lido on Twickenham Riverside.
Ellen Purton	Twickenham, United Kingdom	2015-08-05	I have long thought that Twickenham should rebuild a pool, with a strong outdoor component, to draw residents to the river in the summer. More importantly, we have a lovely stretch of river frontage which has just been renovated to ..... leave it as a car park. This is a sad waste of our riverside heritage. Move the car parking further inland (up by the old pool building, next to the playground (added benefit -- parking closer to the shops) and put a leisure area (with a lido!) along the river side with a nice grassy terrace rolling down to the river. Then we might develop a riverside feel to the town.
Gavin Wheeler	Twickenham, United Kingdom	2015-08-06	we want a pool again
Sarah Culbert	Phoenixville, PA	2015-08-06	I'm signing because Twickenham is an amazing place to live and this would enhance it even more. I still think of Twickenham as my home even though I currently live abroad and we still have a house in Strawberry Hill.
James Barrett	London, United Kingdom	2015-08-06	I want the people of Twickenham to decide what gets built in Twickenham, not a Local Authority with its heart and soul in Richmond.
Sharyn Oliver	Bransgore, United Kingdom	2015-08-07	This area is well overdue for development and this seems like the best plan for the area to be put on the table so far. It would give Teickenham the status it deserves and provide a fantastic outlet for the local residents.
Trevor Baylis CBE	Twickenham, United Kingdom	2015-08-07	I have always had an interest in swimming and I swam for Great Britain. It would be perfect for young children to learn to swim on Twickenham Riverside

Victoria Greenwood	London, United Kingdom	2015-08-09	Lidos provide a wonderful haven from urban city life, in Twickenham it uses a natural resource and it provides extraordinary health benefits whilst also providing a resource for inner city families who cannot afford many London facilities and provide a "day out".
Christina You	Richmond, United Kingdom	2015-08-10	This venture would generate business in the Twickenham area, as well as providing local people with an enjoyable leisure facility.
Keith Carroll	Twickenham, United Kingdom	2015-08-10	It's a great way for local people young and old to mix, have fun and be out doors.

Allison Rainey	Twickenham, United Kingdom	2015-08-12	It is about time Lord True did something positive for the residents of our town as well as the visitors to our town. We are not all rugby fans. But we do all spend time at the riverside and have put up with second best for far too long. Of course....We have to ask ourselves, will there be enough financial gain in it for Lord true himself or for his cronies? If the answer is yes, I bet we'll get it! In the blink of an eye.
Claire Lambros	Esher, United Kingdom	2015-08-12	Twickenham town centre has been ruined I the last 25 years and I feel this development will give Twickenham back a bit of its former glory.

Carola Nunns	Twickenham, United Kingdom	2015-08-24	I have missed this facility since it was closed! A lido on the river is just perfect. If the council are worrying about non use in the winter months look at Hampton pool as a role model! Or build it so it can also be used as an ice skating rink. I know for a fact that is possible!
Stefanie wedge	Teddington, United Kingdom	2015-08-24	This will really help develop the riverside and Twickenham bringing money to the area and also benefiting my family and three children with a modern lido.

Debbie harper	Twickenham, United Kingdom	2015-08-24	Since twickenham baths shut there has been nothing local never should have shut it .
Peter Brunyee	Teddington, United Kingdom	2015-08-25	Twickenham certainly needs more and better amenities and this would bring character, interest and people to the town. The riverside is a great spot but painfully underutilized. With imaginative schemes and good planning the Riverside and Church Street area could so easily bring long-term benefit to Twickenham by giving the town much needed focus.

Dominic Thrantum	Twickenham, United Kingdom	2015-08-27	I do not want to see a block of expensive flats on the river-front. We need public spaces for the people of Twickenham.

cheri grace	Teddington, United Kingdom	2015-09-04	Hampton Pool (only alternative nearby) is unsafely over-crowded so we have stopped going. There is clearly excess demand in relation to supply.

Peter Clements	London, United Kingdom	2015-11-07	I've always thought a swimming pool should have been kept in twickenham. The old pool site. I wasted as if people use it they are moved on for being antisocial.

sarah meagher	Twickenham, United Kingdom	2015-11-10	I used to swim at the old lido as a child and this plan is supported by more local people than the new council housing development and is fully funded. It would be a great amenity and keep open space too.
John Leach	Feltham, United Kingdom	2015-11-11	I enjoyed swimming at the old Twickenham baths. The site by the river is pleasant for swimming. It is healthy for young people. Much nicer than swimming in an indoor pool.
Elaine O'Connor	London, United Kingdom	2015-11-12	The current (Nov 2015) proposal is tasteless and impractical - this is something everyone can use, and it's HEALTHY!
Laura McCullagh	London, United Kingdom	2015-11-12	What a wonderful idea! We have just moved in to the area and I can't think of a better way to bring the community together, have fun and support local businesses too

Kirsteen Hallett	Twickenham, United Kingdom	2015-11-17	I am signing this petition because the people of Twickenham should have their say in what happens to their riverside. Lord True lives elsewhere and is welcome to enjoy his own neighbourhood as he prefers . We do NOT need his opinion foisted on us yet again. Jeanette Arregger	Birmingham, United Kingdom	2015-12-05	I have just seen the proposal for pastiche regency housing for the rich for this site. What a missed opportunity for the Council to provide something that the whole community can enjoy on our beautiful riverside.
Max Balfour	Twickenham, United Kingdom	2015-12-05	I believe any scheme developing the twickenham riverside site should include a swimming pool
Joyce Painton	Twickenham, United Kingdom	2015-12-10	I, like many others swam in the old lido as a child. It would be great for the community to have the lido back and would regenerate Twickenham in a unique way instead of attempting to impose on us a copy of the Richmond development. For once can we avoid overpriced, riverfront housing for out-of-borough investors please.
Peter clarke	Twickenham, United Kingdom	2015-12-10	We need to promote our lovely area in such a beautiful setting.
mary parker	Twickenham, United Kingdom	2015-12-10	Let Twickenham's heart beat again through exercise, a social hub, an experience all encapsulated in a LIDO.

Jon Man	Central District, Hong Kong	2015-12-12	I still have a house in twickers, the town center has become a bit depressing in last 3-5 years, this will help alleviate that problem
Judy Weddle	London, United Kingdom	2015-12-12	I'm signing because it is imperative to restore community into our culture.

Annie Howell	Twickenham, United Kingdom	2015-12-26	I would love to use this with my family.
Caroline Stirling	Teddington, United Kingdom	2016-01-01	I am signing up because I think swimming is so important for everyone, for muscle health and general well being... Young and old. If the weather is good, the options we have for outdoor pools is very limited and they are overcrowded. We need another!
Fiona England	Teddington, United Kingdom	2016-01-04	I think it's a brilliant idea!
Belinda Campbell	Twickenham, United Kingdom	2016-01-05	I learnt to swim in Twickenham swimming pool in the early 1970s. A very special memory, and such a shame it went to ruins. As a school girl, I used to walk past the derelict pool on the way to the river, and look through a hole in the brickwork. I would see the pool overgrown with plants in it...I found it hard as that school girl to understand why it was in a very poor condition as a result of disuse and neglect....
Adele Colley	Twickenham, United Kingdom	2016-01-05	I used to love swimming at the previous pool in the 1970's and would be a regular visitor should the lido plans go ahead.

Kate Parker	Hampton, United Kingdom	2016-01-14	This sounds amazing!
Alex Blamire	East Molesey, United Kingdom	2016-01-15	The pool should never have been taken away from the people in the first place. Just like Richmond ice rink, it's about time our leisure facilities were replaced. No wonder childhood obesity is on the up! This would be so, so welcome & a really positive investment for the area. What's not to like?
Sandy Houghton	Feltham, United Kingdom	2016-01-15	It would be a real asset to Twickenham
Sabrina Moutarde	Dubai, United Arab Emirates	2016-01-16	I grew up in Twickenham. It was a shame it went in the first place. Bring back the leisure facilities it deserves. Keep the community and next generation active!

Sharon Maycock Prime	Staines-upon-Thames, United Kingdom	2016-01-16	I grew up in St Margarets and we loved the pool and the ice rink!
Jane Cook	Hampton, United Kingdom	2016-01-16	This would be great for Twickenham. Hampton pool is a brilliant example of how popular pools are. If it hadn't have been for the residents of Hampton the council would have closed this. Don't know what happened to the money set aside for the ice rink?
Frances Ng	Twickenham, United Kingdom	2016-01-17	This would be so much more beneficial to us than the grandiose plan proposed by the Council and would give more long lasting enjoyment to so many people rather than the monstrous regency designed shopping area with (adding insult to injury) 40+ luxury apartments currently planned.
Christine Conder	Fenstanton, United Kingdom	2016-01-25	I was born and brought up in Twickenham and used to like visiting the area. I remember the original Lido and spent many happy hours there as a child. The town has deteriorated in recent years and there is very little to bring me back to visit the area at present. I feel this facility would be a very strong draw to those both living in Twickenham now and those whose roots belong in the area. I would certainly visit Twickenham on a regular basis should such a facility be available.
Stephanie Bowden	Twickenham, United Kingdom	2016-01-25	It would be fabulous for Twickenham to have somewhere for people to socialise together
Robert Brignell	Twickenham, United Kingdom	2016-01-26	The location should be returned to it's previous use. The old Lido was very popular, this should be continued.
janine fotiadis	Twickenham, United Kingdom	2016-02-01	Twickenham would benefit enormously from having a local hub. Twickenham has a strong community spirit and a lido would naturally become the heart of our community. Very welcome indeed.
Dave Ward	Twickenham, United Kingdom	2016-02-04	I love Bristol lido and the location in twickenham would be wonderful. It would be a great place to go
John McNutt	Twickenham, United Kingdom	2016-02-06	Twickenham deserves a Lido, the council needs more imagination and I believe it is viable. The Quinlan Terry scheme is an awful pastiche and will only have negative impact. I am very concerned it the Council somehow think this scheme can successfully be amended - it is so far off the mark of what Twickenham actually needs.
David John	Twickenham, United Kingdom	2016-02-15	I want to see all options considered not just the one the local counsel leaders seem to favour. A Lido seems to be a far better alternative than the one idea we have seen so far.
Phil Cooper	Ashford, United Kingdom	2016-02-15	It's been too long!

Jude Price	Twickenham, United Kingdom	2016-02-15	I think it would be a fantastic facility for local residents to use and also bring interest and investment from outside to the area. There are too few public facilities available, and this would fit perfectly by the river, especially with boathouses and clubs also making a comeback. Active, happy and healthy Twickenham / Richmond must surely be a valid goal.
Emma Beswetherick	Twickenham, United Kingdom	2016-02-15	I love twickenham and may well live here all my life, but it seems to me there is so much untapped potential in the town centre, which sees shops closing and little life. The riverside is beautiful and to open this up to the town by re-installing a lido like the fabulous one in Bristol is a fabulous way to bring something wonderful back into the heart of our town.
John Warrington	Staines-upon-Thames, United Kingdom	2016-02-15	I grew up in Twickenham when the pool was very much central to the community in the summer time. It's time to go back to community to make the town a better place
Annette Lufflum	Isleworth, United Kingdom	2016-02-15	There is not enough recreational places per head in the area.
Linds McHugh	Twickenham, United Kingdom	2016-02-15	I like the idea of having something special in the town centre.
Jess Holder	Hampton, United Kingdom	2016-02-15	fantastic use of the riverside to exercise, relax and spend time with friends and family in the fresh air
John Muir	Twickenham, United Kingdom	2016-02-15	This would revitalise our town centre and put Twickenham back on the map
Simon Fullalove	Twickenham, United Kingdom	2016-02-15	Looks like a good plan. I have to drive to Hampton every week to get an open air swim - I could walk to this.
S TATUM	Twickenham, Middlesex, United Kingdom	2016-02-15	I want to see Twickenham come alive again. Twickenham has been neglected for far too long. We have an opportunity of supporting the small businesses in the area, by bringing more interest. We don't only want to be famous for RUGBY. We want somewhere pleasant to go to. Twickenham river and town centre deserve to have a lido and river front where we can all visit.
susan williams	Twickenham, United Kingdom	2016-02-15	I'm signing because the present plans does nothing to improve the view from the town centre. I thought this was the original intention of any improvements. All the proposed development is offering are just more luxury apartments. How is this going to enhance the Twickenham town centre and the riverside? Give us back a lido and help to develop the wellbeing of the residents and visitors to Twickenham and at the same enhance the whole riverside for everyone not just those wealthy enough to purchase luxury property.
Guy Rendle	Twickenham, United Kingdom	2016-02-15	This is an entirely sustainable idea that would benefit all residents and move Twickenham away from rows of empty shops or charity shops
Chris Holland	Twickenham, United Kingdom	2016-02-16	It is much more appropriate to Twickenham than the current proposal, would properly develop the riverside and be accessible to local people.
Pauline Hogan	whitton, United Kingdom	2016-02-16	It would be a boost for the area
Charles Jamieson	Dunlop, United Kingdom	2016-02-16	I used to live in Twickenham and visit regularly. Twickenham really needs a focus like the lido. I would use it and be happy to spend time there rather than head into Richmond.
Ray Keenoy	Richmond, United Kingdom	2016-02-16	I love the riverside
Jon Appleby	Twickenham, United Kingdom	2016-02-16	Developing community sports and health facilities is an essential part of the future for families.

Michael Frain	Kingston upon Thames, United Kingdom	2016-02-16	Facilities are badly needed for the fitness and happiness of all.
Samira Ahmed	New Malden, United Kingdom	2016-02-16	The lido would transform the riverside for the better. My children row at Twickenham Rowing Club, my son goes to a local school and this is an amazing chance to give the town centre a wonderful focus that will improve the health and wellbeing of us all.
Elizabeth Brand	Isleworth, United Kingdom	2016-02-16	I'm a local and this would be FANTASTIC
Julian Heyworth-Taylor	Hounslow, United Kingdom	2016-02-16	I have lived in the general area all my life and would like to see Twickenham riverside you to it's best advantage

Rachel Hassan	Belfast, United Kingdom	2016-02-16	I'm moving to Twickenham soon and I love Lidos!
Tom Ellery	London, United Kingdom	2016-02-16	Twickenham should be celebrating it's heritage in it's redevelopment plans, not just throwing up more new 2 bedroom apartment builds. A lido back on the river would be amazing for the area
Chris Leaney	Worthing, United Kingdom	2016-02-16	Twickenham is a vibrant town that needs a lido ti complement the rest of the waterfront.
Sally George	Hounslow, United Kingdom	2016-02-16	I want to see the area used not left derelict
Teresa Rider	London, United Kingdom	2016-02-16	This would be a wonderful addition to twickenham riverside
Jeremy Beacham	Richmond, United Kingdom	2016-02-16	It's much more appropriate than the QT option
ALEX SINCLAIR	Twickenham, United Kingdom	2016-02-16	It's about time that residents had what they want, having lost, against their wishes, the original pool and an ice rink which was never replaced as promised.
judith hawke	london, United Kingdom	2016-02-17	I would swim
Donald MacCallum	Isleworth, United Kingdom	2016-02-17	The riverside should be fully utilised as a public resource
Elizabeth Balding	Kingston upon Thames, United Kingdom	2016-02-17	I lived in Strawberry Hill for 34 years and spent many happy hours in the previous pool. Its closure meant less visitors to the town and a loss of healthy exercise.
adele deacon	feltham, United Kingdom	2016-02-17	I am signing because I think that a Lido would be very good for bringing people back to Twickenham and also it would be a nice place for all people to be able to go to, IT really would be a good idea.
Liz Bushby	Twickenham, United Kingdom	2016-02-17	A pool in Twickenham would mean I would get to swim near home.
Robert Silverstone	Isleworth, United Kingdom	2016-02-17	It will be great for children in the area and help boost the local economy.
simon rowles	Teddington, United Kingdom	2016-02-18	Twickenham Needs this and is crying out for this space to be used in this way!! Please please let it happen
Carolyn Townsend	Twickenham, United Kingdom	2016-02-18	I remember such happy times at the old Twickenham lido. This proposal will reinvigorate the heart of our town. We need more inclusive community facilities, not more exclusive housing and retail outlets.
Lisa Broddle	Twickenham, United Kingdom	2016-02-18	It would be a marvellous place for the community

elizabeth mangat	toronto, Canada	2016-02-18	I have family in the area...older adults, children and young people... who would love to have a Lido on Twickenham Riverside. Beautiful! Sounds like a great move.I would love to visit when in Twickenham
Claire Pemberton	Twickenham, United Kingdom	2016-02-18	I would like a lido in Twickenham
Christine Byron	London, United Kingdom	2016-02-18	From the beginning always wanted the lido to be restored. This is a wonderful idea and would be life enhancing for local people.
Alice Hinken	Isleworth, United Kingdom	2016-02-18	I live fairly close (in Isleworth) but often spend time by the river in Twickenham. A lido would be a great asset for local residents/families and would extend business opportunities in the area.
DANIEL WHITESIDE	London, United Kingdom	2016-02-20	Its a great idea. I would use it. Better than just more flats for foreign investors.
Diana Collins	Richmond, United Kingdom	2016-02-20	Far better to have something like this rather than yet more flats for the wealthy
Christopher Rawlings	Twickenham, United Kingdom	2016-02-24	Far more needs to be done to improve the town centre - it is a hub for the national rugby team, with visiting fans from across the globe, it should be a stunning addition to the town. It will improve the trade for business in the town and quite frankly it is shocking that modern improvements to the riverside aren't being pursued. Perhaps Richmond Upon Thames should look outside of Richmond Town Centre to upscale other towns more than just some new pavement here and there.
Peter Clayton	Twickenham, United Kingdom	2016-02-26	I would like to see a facility on the Twickenham riverside that all townspeople could use.
Sheila Stanley	Teddington, United Kingdom	2016-02-26	There are only two swimming pools in Richmond borough. We desperately need one in twickenham.
Tony Nieper	Teddington, United Kingdom	2016-02-27	This is by far the most refreshing and ingenious idea to revitalise the riverside that I have heard so far. I wish you all success in the project.
Joan Clayton	Twickenham, United Kingdom	2016-02-27	I want this facility to help revitalize Twickenham
Claire Botha	Twickenham, United Kingdom	2016-03-01	As a local resident this would be an amazing facility and draw footfall into the town centre.
Emma Farquharson	Twickenham, United Kingdom	2016-03-03	A lido would be brilliant for Twickenham and the community!
Jon Burrell	London, United Kingdom	2016-03-03	All the options need to be publicly considered. The council is ignoring the key findings of its own consultations. Why such a lack of transparency ?
Sheila White	teddington, United Kingdom	2016-03-06	The best way to create a vibrant heart to the centre of Twickenham is to have an open aspect from king street to the river thus linking the two visually. The lido proposal could be part of the scheme. Currently Twickenham centre is a sad mismash . Nature has given us the river. Let's now work with it to create a plan with vision and prosperity for the future rather than short term gain
Sonny Moore	London, United Kingdom	2016-03-07	The current design is a missed opportunity and lacks any imagination or sympathy for the surrounding area
Anne Collins	Twickenham, United Kingdom	2016-03-07	It would be wonderful way of regenerating Twickenham. Opening up the riverside and offering this great attraction which both young and old could benefit from. We need a Lido - Please !!!
Holly Blair	Newcastle upon Tyne, United Kingdom	2016-03-14	Love swimming and would be nice to have a local one rather than Hampton wick/Richmond. Would also take natural beauty of riverside in and be good for aread

Emile Bitar	Twickenham, United Kingdom	2016-03-15	If Twickenham is to be considered a community then it needs a heart and I can think of no better heart than a Lido to be enjoyed by all.

Isobel Riley	Lancaster, United Kingdom	2016-03-16	It will provide an excellent facility for the community.
Simon Bohrsman	Twickenham, United Kingdom	2016-03-16	I am signing because this, at last, is a fresh idea which moves Twickenham forward as a place to live in and enjoy - as opposed to more flats and large retail stores etc
sandra roche	Twickenham, United Kingdom	2016-03-16	Give the young people, young families and the older generation a communal recreational place with the emphasis on keeping fit, promoting swimmers especially as we live along side water. Get kids swimming! Keep them safe around water!!
Evie Bentley	Hurstpierpoint, United Kingdom	2016-03-16	I know this area and a Lido would be of such social benefit.

alison wigg	Fleet, United Kingdom	2016-03-17	I love lidos, I think they are valuable local and national resource and I swim in as many as I can. Please reinstate a lido on the riverside, it would be brilliant and well used!
Imogen Radford	London, United Kingdom	2016-03-17	This is tricky. It sounds better than exclusive housing, by a long way. But £20 entrance, no children or young people on their own, and limited times? What about in the summer when demand would be high? On balance I will support, but some big questions remain.
Jean King	London, United Kingdom	2016-03-17	We need more outdoor pools in West London, and I miss the old pool at Teddington.
Janet Blair	Surrey, United Kingdom	2016-03-17	What a wonderful idea.
Lynn Gregory	Teddington, United Kingdom	2016-03-17	It would be good for the local community

Louisa Tudor	Twickenham, United Kingdom	2016-03-18	Twickenham needs a stronger community, better meeting places for all ages, we need to get more active and promote a healthier lifestyle. A lido in Twickenham would generate more people to the area for local businesses and would look amazing on the waterfront!
LYNDA HEAD	Twickenham, United Kingdom	2016-03-18	NO PRIVATE APARTMENTS BUT FACILITIES FOR TWICKENHAM RESIDENTS
Caroline Crolla	Farnham, United Kingdom	2016-03-18	Swimming outdoors is a great blessing. The more people who can have access to lidos like this, the better.
Maggie Kay	Twickenham, United Kingdom	2016-03-18	I live in Twickenham and think this will provide a much needed central social leisure facility.

David Hopwood	Twickenham, United Kingdom	2016-03-21	Lido could benefit all and of the schemes illustrated has the best chance of adding public open space and a proper visual link between town and river. This is ESSENTIAL and all residents would be pleased to see this.
Emma Davison	West Molesey, United Kingdom	2016-03-21	I was there on the day the pool closed. We payed to get in and after a short while were told to leave as the pool was shutting for good! Such happy memories of this pool. It should never have been left derelict for so long, especially with Hampton Pool being so popular and over crowded in the summer.
Paul Griffin	London, United Kingdom	2016-03-21	I'm a swimmer and would love to use this
Clynton Luttig	Teddington, United Kingdom	2016-03-21	Twickenham needs regeneration and something other than just a rugby stadium to attract visitors

Lucy Young	Hersham, United Kingdom	2016-03-23	I swam at Twickenham Lido as a child. We would pack a picnic and spend the whole day there. I still love swimming and have been a member of Teddington Swimming Club for 34 years. I train all year round at Hampton Pool whatever the weather and I love it. Hampton pool has been a real success story so there is obviously a demand for open air swimming. We should preserve our heritage and promote sporting facilities in the area. I would love to see this facility restored to its former glory.

Felicity Counsell	Twickenham, United Kingdom	2016-05-27	Twickenham needs more amenities for local residents to regenerate the heart of the town. This is in keeping with the original use of the site both in terms of function and scale, unlike the Council's preferred option which is essentially an ugly, old-fashioned looking block of flats which would dominate the riverside rather than open it up.
David Jacobs	TWICKENHAM, TN	2016-05-29	I think a new lido is just what is needed on Twickenham Riverside and would be hugely popular.
Anne D'Amico	Middlesex uk, United Kingdom	2016-05-29	I have lived here ( Whitton) all my married life & seen Twickenham grow & prosper! Also it's a great area & surrounding's with so much to offer. We as a family are swimmers & it would beneficial to my grandchildren to have wide range of facilities close by together with hundreds of other families benefiting. Twickenham is also a fantastic place to live, work, shop, and raise a family, after all we should have a "say" considering we are the taxpayer's ▯
Katy Cox	Feltham, United Kingdom	2016-06-03	It has enormous health benefits... great for community cohesion... great fun... I have fond memories of the old Twickenham Swimming Baths.
Sally Kirton	Hanworth, United Kingdom	2016-06-03	Every town should have a pool. We all need to be able to swim.
